

Shivashankar Damodaran, MD, Urologist

We are fortunate to have a skilled urologist coming to Harbor Beach Specialty Clinic, the first and third Tuesday every month. Whether you are dealing with urinary issues, kidney problems or other urological concerns top quality care is close to home. Dr.Damodaran's services include:

- Endourology: cystoscopy and ureteroscopy
- BPH Treatments: TURP, Urolift
- Urologic Oncology: Prostate biopsy, prostatectomy.
- Bladder Cancer: biopsy/ resection and intravesical instillation
- Testicular and penile cancer: Orchiectomy, biopsy, penectomy and reconstruction
- Reconstructive Procedures: artificial sphincter, inflatable penile prosthesis
- Additional Procedures: circumcision, vasectomy (done in clinic), excision of genital warts

Dr. Shivashankar Damodaran is associated with Lake Huron Medical Center, **to schedule an appointment, please call (810) 216-3599**
